### PRESS RELEASE

The Government of Botswana wishes to inform its citizens that it is lifting its advisory on Travel to Zimbabwe issued a week ago.

Further it wishes to take this opportunity to welcome the resignation of Robert Mugabe as President of Zimbabwe and share in the excitement, joy and celebration over this development by the people of Zimbabwe.

Going forward it is the Government of Botswana's hope that the era of corruption, economic chaos, political intolerance, coupled with election rigging and brutality will be a thing of the past.

The Government of Botswana will always be available to provide support for the Zimbabwean people's new democratic journey of opportunity.
